Join the READERS Club – Exploring Happiness through Self-Help Books

This is to inform all the faculty members that Happiness Club is introducing READERS Club, for staff to explore themes of happiness through the lens of self-help books. The READERS Club aims to create a supportive environment for individuals to share insights, experiences, and personal growth journeys through engaging discussions about selected self-help books. Regular meetings will be held to discuss chosen books, share summaries, and facilitate group discussions. Interested participants can submit their names to the Happiness Club Coordinator Dr. Shubha.

First Meeting of Faculty Members will be on 26th October 2024 at 11:00 PM where we will introduce the first book and outline our plans for the club.
